SOMERSET
HOUSE

'We cannot thank the team at Somerset House enough for everything they did to make our event a success. From the earliest meetings when we talked over our options, through the production and design stage, and right up to the night, the team was responsive, helpful and understanding.'

'They took the time to understand our objectives, vision and our requirements, especially with regard to accessibility. On the night itself, nothing was too much trouble for our Event Manager and every request or question was dealt with immediately. The venue worked brilliantly and is the perfect space for a summer reception.'
