GET UP, STAND UP NOW

12 Jun – 15 Sep 2019

This summer, Somerset House celebrates the past 50 years of Black creativity in Britain and beyond, in a major new exhibition spanning art, film, photography, music, literature, design and fashion.

In this multi-sensory experience, historic works and new commissions sit alongside items from personal archives, much of which has never been seen by the public before, tracing more than half a century of collective history.

Experience this exhibition after hours by booking a private view, followed by drinks and canapes in your very own private section of The Edmond J. Safra Fountain Court. Alternatively, add a private view or curated tour alongside your event.
