THE HOME OF CULTURAL INNOVATORS

We connect creativity and the arts with wider society, bringing worlds and minds together to intensify creativity and multiply opportunity, driving artistic and social innovation at once.

We are a site of origination with a cultural programme offering alternative perspectives on the biggest issues of our time.

Home to the UK's largest creative community, working globally across art, technology, business and social enterprise, we draw fresh ideas and new talent in, attracting over 2.4 million visitors a year to our historic central London location.

Run as an independent charity by the Somerset House Trust, all event hire income directly contributes to our diverse cultural programme, pioneering engagement & skills work, support of emerging artists and helps to maintain our historic Grade I listed site.

You can be confident that your event will directly support an organisation offering immense value to an audience which goes far beyond your attendees.

SITE ACTIVITY

As an arts and culture centre open to the public, we cannot always confirm what might be happening around the rest of the public areas at Somerset House at that time. We have a very exciting and constantly expanding public programme, which sees lots of different installations, exhibitions, artwork, and public events all over the site. It is a huge part of what makes us Somerset House. There are also occasions where essential works need to take place on the building and these instances are out of our control.

OPT-IN TO SUPPORT THE YOUNG TALENT FUND

Somerset House's Young Talent Fund supports the next generation of early career creatives and artists to fulfil their potential, by providing financial relief to resident artists and opportunities to under-represented young people aged 18-25.

Since the emergence of the pandemic, the Young Talent Fund has become critical in allowing us to break down barriers and tackle inequality. The fund directly supports Upgrade Yourself, offering digital training, networking, upskilling, and a pioneering London Living Wage paid industry placement scheme for young people; and Somerset House's Studios', providing the space and conditions in which over a hundred pioneering interdisciplinary artists can thrive.

If you would like to support this fund by making a donation please speak to a member of our team. Your support will help to secure a future for our creative community for many years to come. Thank you.

DIVERSITY & INCLUSION

We are committed to building a diverse and inclusive community reflecting the diversity of our society. A community where everyone feels valued, where their contribution matters and where they can reach their full potential, irrespective of their background, identity or circumstances. We aim to ensure the diversity of all our staff reflects our society as fully as possible. Similarly, we aim to be home to a resident community of artists and enterprises from an equally diverse range of situations, backgrounds, and disciplines. Ongoing initiatives include running the Black Business Incubator.

ANTI-RACISM

Somerset House is committed to being actively anti-racist and publicly releases updates on the actions it is taking in relation to its Anti-Racism Pledge every six months. We recognise that this is a journey. We have divided our focus into 5 key areas: History, Community, Workforce & Recruitment, Language and Procedures & Policy. A comprehensive list of our current actions can be found [here](#).

SUSTAINABILITY

Sustainability and responsible event management are of paramount importance to Somerset House and, by extension, our Accredited Suppliers.
