

CELEBRATE THE FESTIVE SEASON AT SOMERSET HOUSE

THE HOME OF CULTURAL INNOVATORS

Home to the UK's largest creative community, working globally across art, technology, business and social enterprise, we draw fresh ideas and new talent in, attracting over 3 million visitors a year to our historic central London location.

Run as an independent charity by the Somerset House Trust, all event hire income directly contributes to our diverse cultural programme, pioneering engagement & skills work, support of emerging artists and helps to maintain our historic Grade I listed site.

You can be confident that your event will directly support an organisation offering immense value to an audience which goes far beyond your attendees.

SITE ACTIVITY

As an arts and culture centre open to the public, we cannot always confirm what might be happening around the rest of the public areas at Somerset House at that time. We have a very exciting and constantly expanding public programme, which sees lots of different installations, exhibitions, artwork, and public events all over the site. It is a huge part of what makes us Somerset House. There are also occasions where essential works need to take place on the building and these instances are out of our control.

DIVERSITY & INCLUSION

We are committed to building a diverse and inclusive community reflecting the diversity of our society. A community where everyone feels valued, where their contribution matters and where they can reach their full potential, irrespective of their background, identity or circumstances. We aim to ensure the diversity of all our staff reflects our society as fully as possible. Similarly, we aim to be home to a resident community of artists and enterprises from an equally diverse range of situations, backgrounds, and disciplines. Ongoing initiatives include running the Black Business Incubator.

ANTI-RACISM

Somerset House is committed to being actively anti-racist and publicly releases updates on the actions it is taking in relation to its Anti-Racism Pledge every six months. We recognise that this is a journey. We have divided our focus into 5 key areas: History, Community, Workforce & Recruitment, Language and Procedures & Policy. A comprehensive list of our current actions can be found here.

SUSTAINABILITY

Sustainability and responsible event management are of paramount importance to Somerset House and, by extension, our Accredited Suppliers. You can download our sustainability booklet, outlining what we are up to and top tips on how to host a sustainable event at Somerset House, here.
